**Why is it such a big deal that life is NOT like a big circle?
(hint: the end doesn't have to be like the beginning)**

You are not stuck!

Because God is writing the story HE can change your story.

When you are going through a trial it feels like you are stuck in a loop and it will never end. What is something you wish would change in your life right now?

Some times we see those changes come quickly and sometimes it takes a really long time and sometimes the changes wont come until we get to heaven.
