

## CAMP FUNDRAISING | Overview

We're excited you're coming to camp! We understand the cost of attending camp can be a barrier for some people, and we want to help! Below are several fundraising ideas.

### 1. PERSONAL FUNDS

We encourage all our families, individual campers and crewmembers to invest in their camp experience. If possible, we encourage you to pay the deposit for each family member out-of-pocket. If you haven't been putting aside money for camp throughout the year, we encourage you to think about additional ways to raise personal funds. This might include saving each month, organizing a garage sale, taking on extra hours at work, or even collecting coins in a jar.

### 2. PEER-TO-PEER ONLINE FUNDRAISING

We offer you the option to ask your friends and family to help you with the cost of your camp experience. Once you sign up online, you can set your fundraising goal as the exact amount of your camp experience or you can set your goal a bit higher and any extra funds will offset the costs of the overall camp experience. To set up your fundraising site go to:

<https://breakaway24.funraise.org/> It only takes about five minutes to create your site and share it on Facebook.

### 3. PERSONAL ASKS

We know asking family, friends or your church through a personal ask or fundraising letter can be an effective way to raise funds. See the attached letter for an example.

### 4. COMMUNITY SCHOLARSHIPS

Several scholarships for attending camp may be available through various community agencies. Search online or ask for referrals to agencies in your area. We accept MedWaiver. You might also check <http://www.parentcenterhub.org> for resources that may be available in your state.

### 5. LIFT DISABILITY NETWORK SCHOLARSHIP

A limited number of partial scholarships are offered through Lift, based on available funds each year. After utilizing all the above options, families and individuals could be eligible for scholarship funds. Please see the following scholarship request form for eligibility requirements and more information.

Lift Disability Network has created a way for you to raise funds for either your own camping experience, the overall costs of camp for Lift or for both!

### Create a personal fundraising profile:

4. Add Your Page’s Title
5. Set a Fundraising Goal: this can be your tuition amount or more to help others!
6. Upload a photo/image
7. Appeal Story: Share your story about why you are going to Breakaway
9. AND THAT’S IT! This will bring you to your dashboard. You can connect your Fundraising page to a Facebook Fundraiser in just one click! Then just click on your photo/name icon in the upper right to change your personal story, view donations, email, thank your donors.
6. Then SHARE! Use the “share” button to the right of donate button and share your profile on Facebook, Twitter or copy link to share in an email and Instagram. Each time you share, be sure to add a quick new note asking your friends and family to give.
7. SHARE again! We encourage you to share this post with your friends and family regularly (at least several times per week and up to twice a day). This will ensure you get the most possible views.

### Funds designation:

1. First, for individual or team fundraisers, funds will go toward your own camp fees or someone you have designated.
2. Second, for individual or team fundraisers, additional funds raised will go toward overall camp costs.

## CAMP FUNDRAISING | Personal Ask Fundraising

Personal asks can be a very effective way to raise funds. Below is a sample fundraising letter that you can personalize. You might even use this with your peer-to-peer online page in an email format.

Month Day, Year

Dear Mr. and Mrs. \_\_\_\_\_,

I want to share with you the amazing opportunity I have this summer. I will be attending Lift Disability Network's **Breakaway Summer Camp**. Breakaway is a camp designed to help families and individuals living with disability to envision a better future. This year the camp will be held (dates) at (location).

**Breakaway Summer Camp** is an opportunity for families and individuals to get away from the daily pressures and challenges of living with disability. Participants experience a week of adventure, laughter and meaningful friendships. Each individual with a disability is paired with a buddy for the week. Families can network and gain the support and advice they need to care for their loved ones.

(Include if crew) My mission, as a member of The Crew, is to do what it takes to lift the hearts and lives of the families attending so they can enjoy an awesome week. It will be my mission to be the hands and feet of Jesus. I am so excited to serve the community all while growing in my relationship with God.

(Include if participant) My hope, as a participating family, is to slow down and receive the gift of a week of family camp...where disability is not singled out, but is normal. I hope to have a chance to be loved on and to take a break from the pressure of living with disability.

As I prepare to attend camp this year, I am asking for your support in two ways. First, please pray for all the volunteers and the families who will be attending this event! The second way to help is through a financial donation. The total cost of my participation at camp is \$(insert total here). Any size gift would be appreciated.

I appreciate your support and look forward to sharing how you made a difference with your prayers and your generosity.

Partnering together in love,
